

2020 Construction

WCRC has at least two major projects coming to the Saline area in 2020.

Textile Road and Woodland Road Roundabout

When: June - August 2020

Project Scope: WCRC is excited to partner with the City of Saline to build a roundabout at the intersection of Textile Road and Woodland Road on the border of Pittsfield Township and the City of Saline.

During the closure, the Saline Recreation Center and Tefft Park will be accessible via Woodland Drive.

This project is being funded by a grant from the Federal Highway Safety Improvement Program, WCRC and the City of Saline.

Ann Arbor-Saline Road and Wagner Road Intersection

When: Spring 2020

Duration: The intersection will be closed to all traffic for up to 3 months

WCRC will reconstruct the intersection with designated turn lanes and a traffic signal.

Questions?

More projects may be added at a later date. All dates are tentative and subject to change.

2019 Construction

The Washtenaw County Road Commission (WCRC) has a number of road projects coming to the Saline area in 2019. Learn more about each of these projects and subscribe to receive email alerts about road work by visiting wcroads.org

Saline-Milan Road Bridge Replacement

When: July - September

Project Scope: Saline-Milan Road over the Koch Drain, near the City of Saline city limits

The bridge will be closed to all traffic during construction. Traffic will be required to follow the posted detour or seek an alternate route.

The Saline-Milan Road Bridge will be replaced this summer

Ann Arbor-Saline Road Concrete Repairs

When: Sometime between fall 2019 and spring 2020

Project Scope: Ann Arbor-Saline Road between Oak Valley Drive and I-94.

WCRC will replace the damaged concrete overlay with full-depth concrete pavement in various locations. The road will be closed to all traffic in two different phases.

Businesses will remain open during construction, customers will be able to access by following the posted detour.

Saline-Area Chip Seals

When: Sometime in July or August

Duration: 1 day per road segment

Project Scope: Saline-Milan Road between Judd Road and Moon Road AND Textile Road between Ann Arbor-Saline Road and N. Maple Road

Chip seal is an important tool to protect new pavement from sun and moisture, extending the life of the road.

WCRC crews apply chipseal under a brief road closure and the road is reopened to traffic the same day.

Saline-Milan Road Resurfacing

When: End of June

Duration: 2 - 3 weeks, weather dependent

Project Scope: Saline-Milan Road between Willis Road and Judd Road

Road users, who do not live or own property within the project limits, will be required to follow posted detour routes or use another route.

The project is funded by the four-year *Roads and Non-Motorized Millage* passed by Washtenaw County voters in 2016

Saline-Milan Road between Willis Road and Judd Road will be resurfaced this summer
