

Textile and Woodland Roundabout

Virtual Public Information Meeting
May 12, 2020

Agenda

- I. Housekeeping
- II. Presentation
- III. Q and A

Today's Presenters

- Brent Schlack
 - WCRC assistant director of engineering
 - (734) 327-6670
 - schlackb@wcroads.org

Today's Presenters

- Michele Ford
 - WCRC project manager
 - (734) 327-6652
 - fordm@wcroads.org

Housekeeping

- Chat is for tech support only
- Meeting audio and video is being recorded and will be posted to wcroads.org
- You will be asked to virtually “raise your hand” during Q and A

Construction During COVID-19

- Road construction has been deemed “essential” by state and federal officials
- Precautions will be taken to protect employee safety
- Please **do not** approach employees

TEXTILE AND WOODLAND ROUNDAABOUT

Background

- Applied for Safety Grant from MDOT
 - Provided two alternatives based on historic crash statistics
- Awarded grant for roundabout
 - 90/10 match (grant is capped)
 - WCRC and City of Saline are splitting match
 - Grant can only be used at this location

Why a Roundabout?

- Intersection has a history of serious crashes
- Roundabouts slow down traffic and reduce the severity of crashes
- Roundabouts move traffic more efficiently and reduce congestion

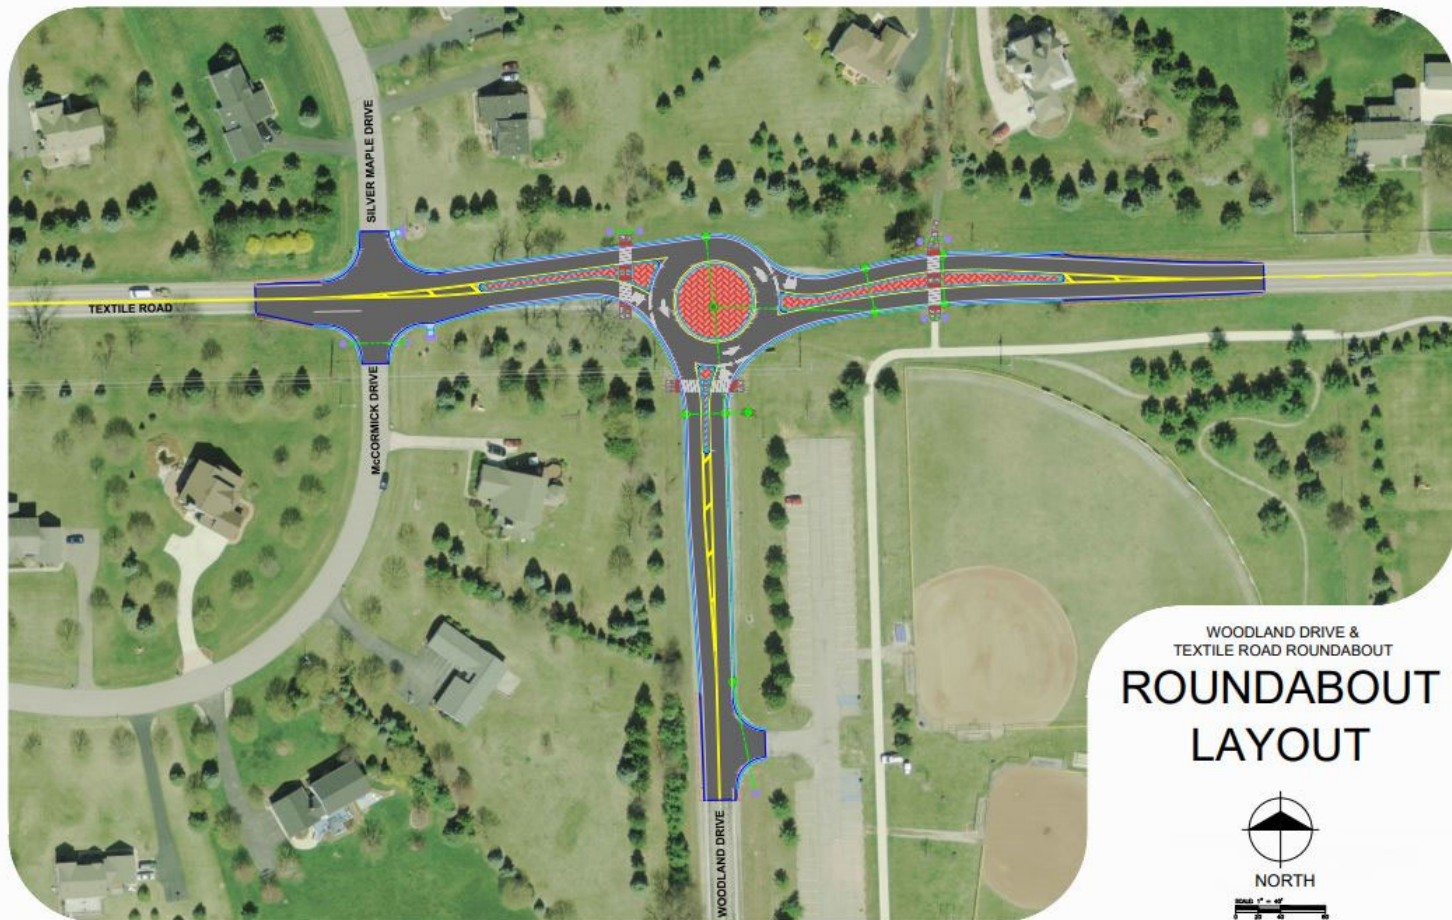

Benefits

- Safety
- Congestion mitigation
- Better drainage
- New pavement

Project Overview

- In spring 2020, trees were removed
- In summer 2020, we will...
 - Install 3 legged, single-lane roundabout
 - Construct curb and gutter
 - Install enclosed storm sewer
 - Build ADA ramps for Textile Road crossing
 - Install street lighting at intersection

Design

Remove Current Roadway

Prepare for Curb

Install Curb and Splitter Islands

Install Central Island

Paving

Pavement Markings

Timeline

- Starting mid-June
- Plan to be completed by end of August
- Contractor will work...
 - Monday – Saturday, 7 a.m. – 7 p.m.

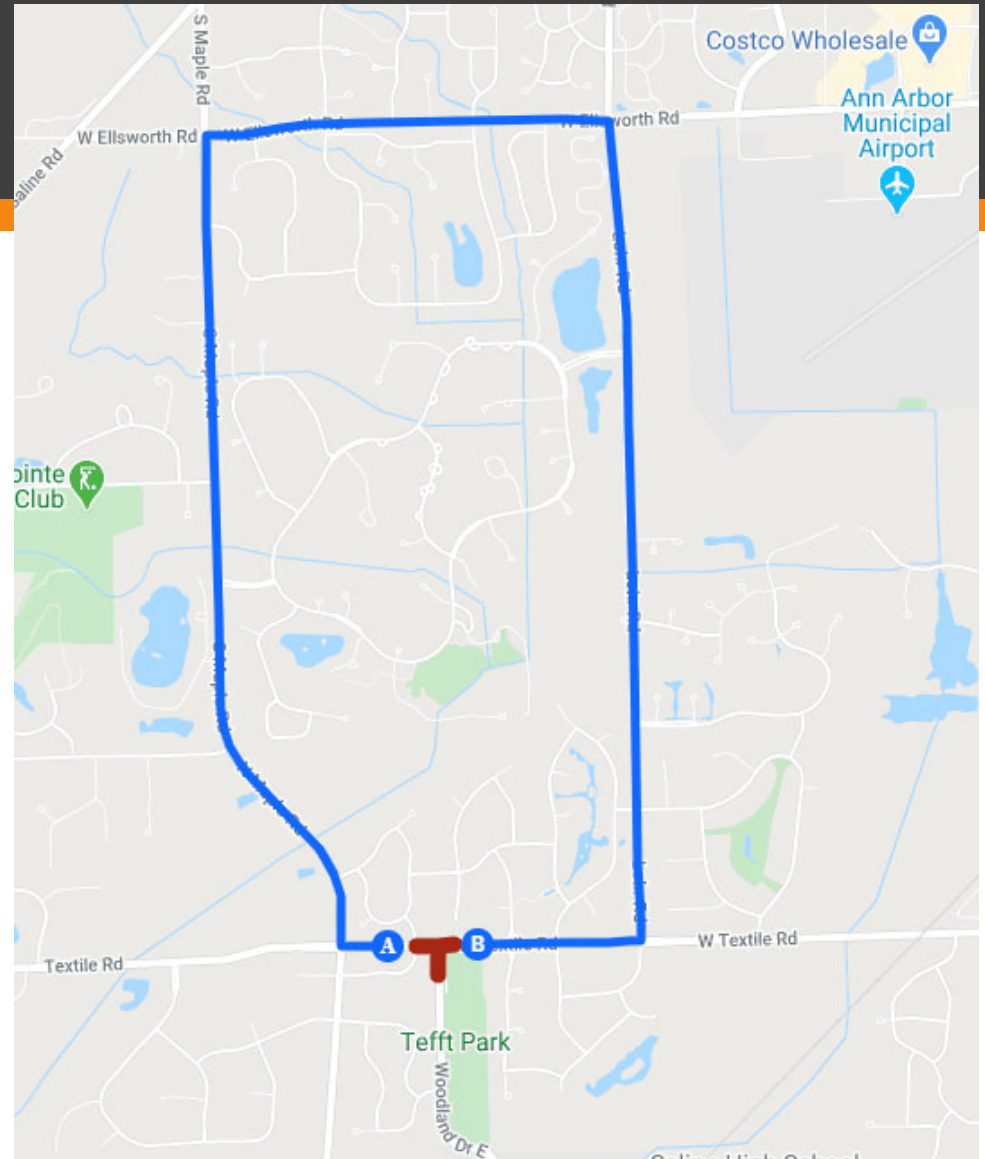

Impact to Traffic

- Intersection will be closed to **all** traffic, including pedestrians and bicyclists, for approximately 8 weeks
- Can still access Tefft Park and Saline Recreation Center from the south

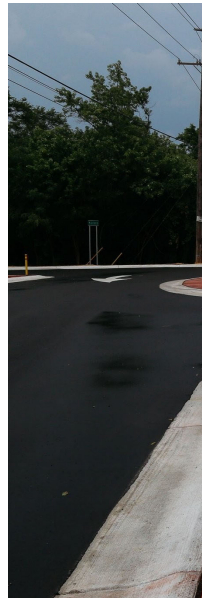

Detour

- Maple Rd to Ellsworth Rd to Lohr Rd
- Woodland Drive traffic will be directed toward Maple

Roundabout Reminders...

AT ROUNDABOUTS

#YIELDISYOURSHIELD

Pedestrian Crossings
