

Ann Arbor-Saline Rd Hill Cut Project

Construction Information Meeting
June 23, 2026

Agenda

- I. Meeting instructions
- II. Presentation
- III. Q and A

Today's Presenter

- **Felix Weber**
 - Washtenaw County Road Commission (WCRC)
 - Project Manager
 - (734) 327-6689
 - weberf@wcroads.org

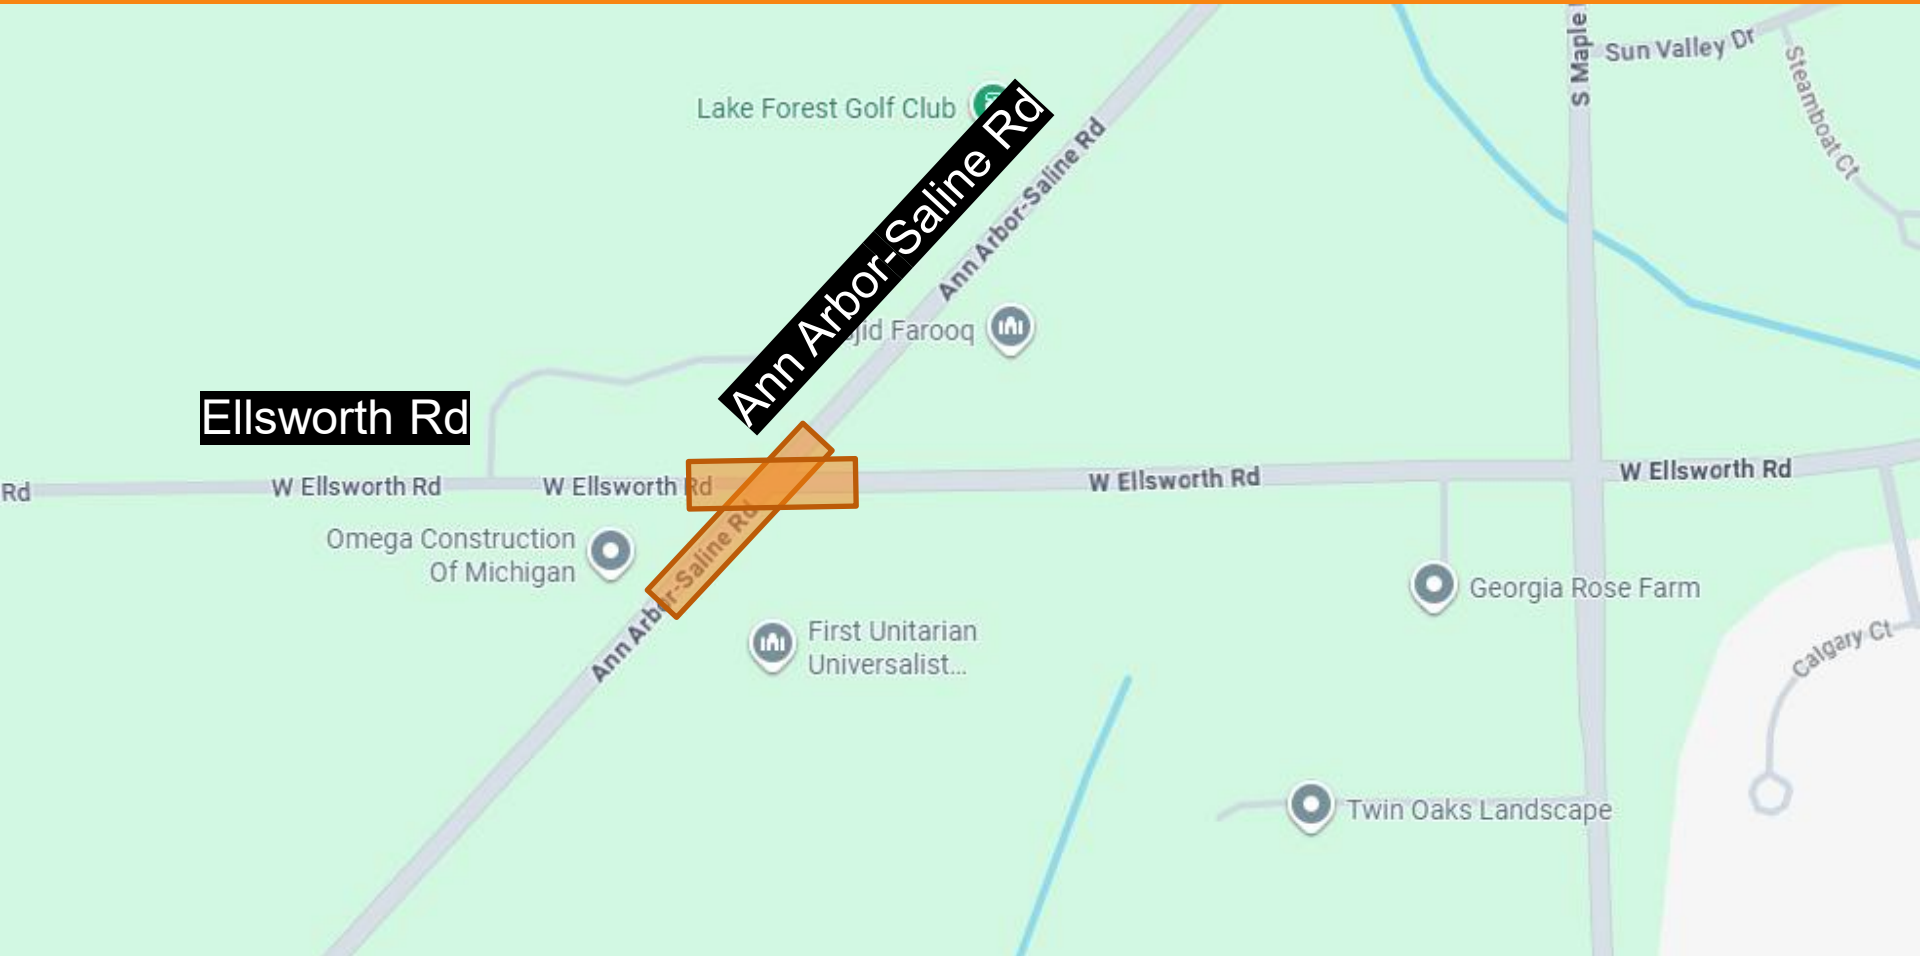

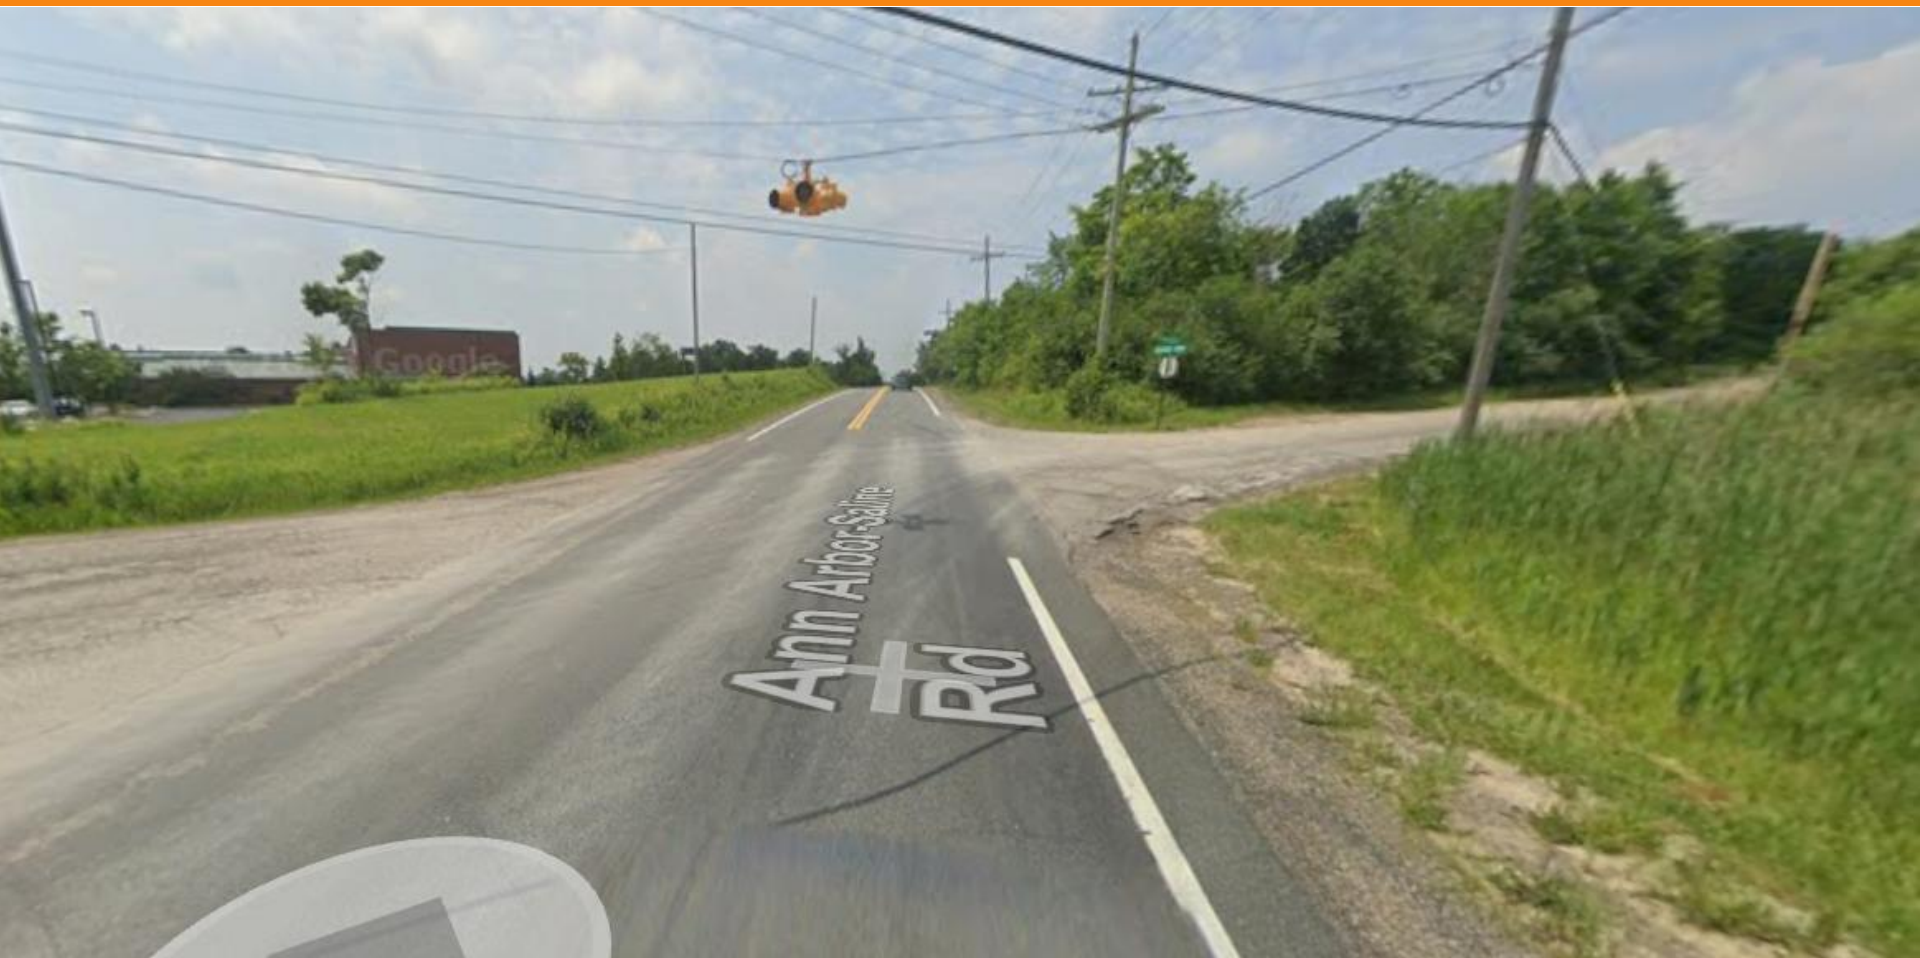

Ann Arbor-Saline Rd Hill Cut Project

Project Limits

Current Condition

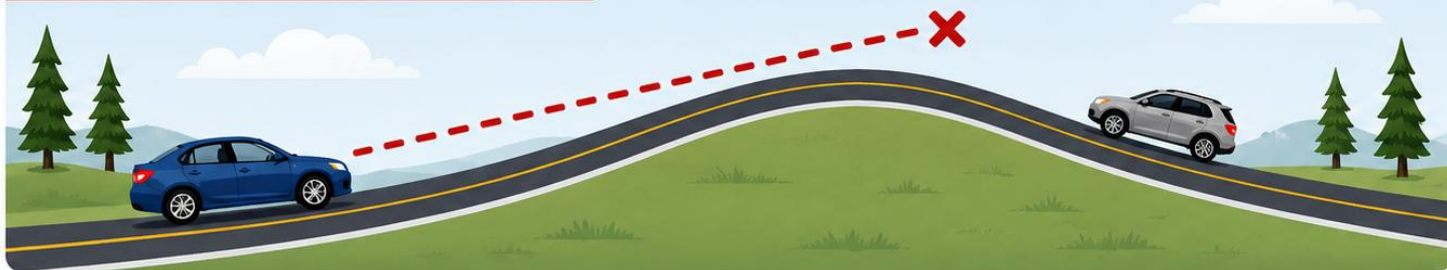

Project Plans

- Ann Arbor Saline Rd at Ellsworth Rd
- Lower hill to improve sight distance
- Improve drainage
- Improve safety & operations

ROADWAY HILL CUT: IMPROVING SIGHT DISTANCE

Lowering the vertical curve of a road so drivers can see more, sooner.

BEFORE: LIMITED SIGHT DISTANCE

SIGHT BLOCKED

The hill blocks the view of oncoming vehicles.

Less time to react.

AFTER: IMPROVED SIGHT DISTANCE

CLEAR LINE OF SIGHT

More of the road ahead is visible.

More time to see and react.

IMPROVES SAFETY

Drivers can see oncoming vehicles sooner.

MORE REACTION TIME

More visibility = more time to slow down or stop.

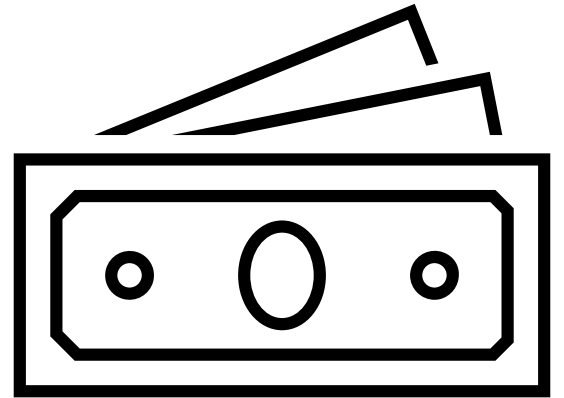

SAFER ROADS FOR EVERYONE

A simple change that makes a big difference.

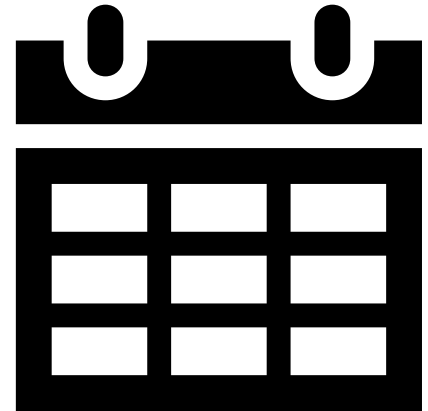

Funding

- Road Improvement Agreement
- Estimated construction cost:
 - \$840,000

Tentative Schedule

- Contract awarded
 - May 2026
- Utility relocation
- Construction
 - July 2026 (anticipated)
 - Estimated construction 8 weeks
