

June 2026

Township Update

30+ Miles of Asphalt

This summer, WCRC is resurfacing 30+ miles of asphalt, including 10.5 miles of local roads.

27+ Miles of Sealcoat

This summer, WCRC is applying 27+ miles of sealcoat to paved roads, including 1.57 miles of local roads.

67+ Miles of Limestone & Gravel

This summer, WCRC is upgrading 67+ miles of limestone and gravel roads, including over 65 miles of local roads.

4 Roundabouts, 3 Bridges, and lots of Resurfacing!

WCRC is in for a very busy construction season!

This summer we will be constructing four roundabouts:

Dixboro Rd at Pontiac Trail
Island Lake Rd Dexter Main St
Martz Rd at Whittaker Rd
Scio Church Rd at Zeeb Rd

And replacing 3 bridges:

Cherry Hill Rd Bridge Replacement
Main St Bridge Replacement (Northfield Twp)
Sharon Valley Rd Bridge Replacement (2026/2027)

Pictured above is an aerial view of the crew placing the colored concrete in a splitter island at the Martz Rd at Whittaker Rd roundabout project in Ypsilanti Township.
