

September 2026

Township Update

We're serving up donuts (roundabouts)! This year we've completed:

- Island Lake Roundabout
- Scio Church Rd at Zeeb Rd Roundabout
- Martz Rd at Whittaker Rd Roundabout
- Dixboro Rd at Pontiac Trail Roundabout

Martz Rd at Whittaker Rd Roundabout

FALL SAFETY REMINDERS:

Deer are Most Active in the Fall

Deer activity peaks during dawn and dusk in October and November. Watch for deer crossing signs and drive with caution in rural areas. As a reminder, WCRC only removes deer from the traveled way of the road when they pose a safety concern.

School is Back in Session

Obey school zone speed limits and stop for buses. Be alert for children walking or biking near roadways.

Clear Out Catch Basins

Fall is the time of year where storm drains can easily get clogged. Please clear debris away from storm drains to prevent flooding and future drainage issues.

Shake Your Mailbox!

Shake your mailbox to make sure it's strong enough to withstand the winter season. It's much easier to make repairs now than in the middle of the winter when the ground is frozen!

Watch for Leaves on the Road

Wet leaves can be as slippery as ice. Encourage people to drive slowly, especially around curves, and avoid sudden stops or turns.

Check out the primary road projects that are happening near you:

555 N. Zeeb Road, Ann Arbor, MI 48103
