

	ORGANIZATIONAL POLICY	GENERAL ENGINEERING APPLICATION: All County Roads			
TITLE: Road Naming Policy	RESOLUTION NUMBER RC14-318	SUPERCEDE	EFFECTIVE DATE 8/19/14	SUPERCEDE	POLICY NUMBER EG-XX

INTENT

To establish standards for naming and renaming roads that are under the jurisdiction of the Washtenaw County Road Commission.

INFORMATION

An applicant for a new road name or for renaming an existing road under the jurisdiction of the Washtenaw County Road Commission shall follow the requirements and process outlined in the Road Naming Procedure. All costs associated with such requests are to be borne by the applicant.

Requesting a road name change is not encouraged due to the impact to a large number of affected property owners and local agencies. However such requests will be considered if an existing road name creates confusion, public safety concerns, or in cases of public interest.
